Patrol leader report:

Dragons: doing good with good attendance at campouts and troop meetings but bad attendance with the mulch sale.

Panthers: Good communication, 75% attendance at meetings. 50% attendance at mulch sale.

Pine trees: Could do better, and doing better with communication. 4/6 attendance.

Flaming Arrows: Doing the same, but has better communication and 2/3 meeting attendance.

Super Scouting scorpions: Doing good, greet meeting attendance but bad camping attendance. Doing better.

Troop Guide report: Two scouts needing to be separated, and first years asking stupid questions. Someone saw the troop guides goofing off and distracting first years. Troop Guides going back to one troop guide for small group of first years. Also, only 30% of first years getting signed off.

OA report: only 28 percent of members went on campout.

New Business: Phil T. wants an entire campout just for first years before Summer Camp.
