Troop Elections

A long discussion was held regarding elections for 2012 Troop and Patrol officers. Election dates were established for January 11, 18 and 25. The order of position elections was modified slightly to:

Week 1 – SPL candidates identify themselves and provide a qualification statement, with questions. ASPL, TG and Instructor candidates identify themselves to the SM.

Week 2 – Election of the SPL, appointment of the ASPL, election of the OA Troop Rep, election of Patrol Leaders.

Week 3 – Appointment of TGs and Instructors, election of remaining Troop officers. The PLC vote to change the traditional order of elections to the one described above was unanimous.

The December Troop meeting schedule was developed. Several gaps remained due to absent members, the SPL and SM were to fill in the blanks.

Patrol Leader reports were abandoned due to the length of the meeting.

OA – Nick reported on the Chapter meeting, a presentation on the possibility of the Troop forming a ceremonial team and a reminder about the upcoming Lodge Winter Banquet on December 19.

Meeting adjourned by Tristan.

Respectfully,

PT
Temporary Scribe.
