

TROOP 778

2010 REGISTRATION

The annual Troop 778 registration fee for 2010 is \$75.00. The fee is collected during our re-chartering process, which began on November 4.

The registration fee for the charter year that runs from February 1, 2010 through January 31, 2011 is now being collected under the following guidelines:

- Scouts may pay with cash, check payable to Troop 778, or with their Scout account. Scouts using their account must present permission to do so signed by a parent.
- The Troop would prefer that payment be made early. The deadline for payment and inclusion on the Troop's roster for 2011 is January 6, 2010.

Please help us with the re-chartering process. One of the many requirements for the Quality Unit and Top of the Arch awards is to complete our re-chartering process on time.
